### **Business Partnership Proposal – Joint Venture Plus+**

Hi Fellow Entrepreneur,

I very much appreciate your time so I will be as brief as possible. I have what is considered to be the best product on the internet today and would like to propose a “50/50” split on the excellent money to be made through your recommending this product to your list.

I am currently partnered up with a direct response marketer in Florida. I’ll call him Mr. B. He indicates that we will each make between \$200,000 and \$400,000 from his list of 12,000 Buying Customers. He is very excited, and sure that this will happen, due to the fact that he just returned from a small marketing conference where he put 30 people in a room, pitched the product to them, and when the dust cleared, had Credit Card information on 23 of the 30. That’s a whopping 76.67%!

The product can either be stand alone, or can be combined into an income opportunity, and is also contained in the hottest marketing program on the internet today. It is the pay-plan of the income opportunity that really has Mr. B excited, as his income will continue to grow, even after he quickly earned \$200,000 to \$400,000 without requiring any additional work on his part.

The total “Program” is called “The Reverse Funnel System” and you can see and review it at:

<http://www.FamilyDreamsComeTrue.com>

Go to this URL, listen to the audio of Ty Coughlin, read the text and then enter your name, email, and the listed security code, which will take you to Page 2, a discussion of the “Reverse Funnel System”.

Read through this entire page, but **DO NOT** fill out the “Order” and spend your \$50.00. I will get you to the next step, free of charge. If you did happen to fill out the order, just let me know, and I will refund your \$50.00.

It says the \$50.00 is for the “Reverse Funnel Business Application”. When people fill out the “Billing Address” and “Credit Card Information”, and then hit “Complete Purchase”, they are taken to the “Application” or “Survey” Page. Since I’m not charging you the \$50.00, I will tell you what’s on this page. It asks them to answer 11 questions, which are:

1. Are you a committed and driven person who can seek out a solution to challenges and obstacles that may stand between you and your goals?
2. Are you willing to commit at least 5 hours per week to learning my system and growing your business? (the time that you choose to work will be completely up to you)
3. Do you consider yourself a quick learner? (How good are you at 'Simon Says'?)
4. What do you currently do for a living? How long have you been doing it? What do you like about it? What do you dislike about it?
5. What level of income are you accustomed to earning on a monthly basis?
6. What is your ideal income goal?
7. As with any real business, there are start up costs and advertising costs involved. How much capital/credit do you have available to get your business off the ground?
8. Please describe your experience as an entrepreneur, if any.
9. Out of the hundreds of applications that I receive for this unique mentoring gift, tell me why I should put your application amongst the top 20 from which I will be choosing from (this is your chance to talk to me and let me feel your passion and your desire).
10. If there is anything else you would like to add, which you feel I should know about you to better your odds... Please do so here
11. If I show you how you can achieve your goals, change your financial situation and improve your overall way of life, will you agree to help out at least one person who is in greater need than you are?

(On the actual Survey, some these are multiple choice questions that the person only has to pick one of four possible answers.)

The person types or chooses their answers to these 11 questions, hits a “Submit” button, and a pop-up screen appears telling them they will be notified by email of the results. Two hours from when they hit “Submit”, they receive an email from the “Inner Circle” stating they are very sorry but due to the number of applications they are receiving, it is taking longer than anticipated to get to them all, but they will get to their application as soon as possible. Then, five hours from when they originally hit “Submit”, they receive an email congratulating them on being accepted, and give them a “link” to go to in order to continue the process. (Don’t worry, everyone is accepted!) That link is:

This will take you to a Log-in page: (put in these entries:)

Email = [rl-ck-floyd@comcast.net](mailto:rl-ck-floyd@comcast.net)

Pass Code = grandkids2

Really pay attention to this page as it puts everything together, and gives you the information on the “Product”, “Global Resorts Network”, and the “Pay-Plan”, “Perpetual Leverage”.

Be sure to watch the video on “Global Resorts Network” and don’t miss the “GRN Compensation Plan Video”. If you would like to look at my Website for Global Resorts Network, go to:

<http://www.globalresortsnetwork.com/rfloyd/biz>

Finally, at the bottom of the page is the sign-up for the life-long Platinum Membership. The cost is \$3,195. total, which includes the first years charge for Global Resorts Website and Back Office. After the first year, it’s \$100/year. Once the sign-up for Global Resorts is completed, you then are taken to the webpage to sign up for the marketing plan, training, back office and everything else that comes with the “Reverse Funnel System”. The cost of the Reverse Funnel System is \$299.95 per month.

Now, to the proposals, you can choose one of two plans to do this Joint Venture

### Proposal #1:

You write a compelling email to your list, recommending this “Business in a Box” that is the hottest thing on the internet in 2008. We will set up a unique URL to send them to the Reverse Funnel System. For everyone that signs up, I will make \$1,000 and my sponsor will make \$1,000. I will split the \$1,000 that I make per sign-up 50/50 with you. In other words we will each make \$500.00 per person on your list that signs-up. Global Resorts Network pays on a weekly basis, so you will get paid on a weekly basis. I will even set up a unique log-in to my Reverse Funnel System Back Office for this campaign so that you can log in and see exactly what is happening with the campaign, and determine how much money you are making and can expect from me. I will even FedEx your checks weekly!

### Proposal #2:

You or your Company sign-up, with me as your Sponsor, in the Reverse Funnel System and Global Resorts Network. Write and send a compelling email to your list, recommending they sign-up under you. For everyone that signs up from your list, you will make \$1,000 and I will make \$1,000 as your sponsor. It will still be just like a 50/50 split. I will make \$1,000 from your sign-up also, but you will make \$50 from everyone on your list that pays the \$50 at that stage of the “Funnel”. Basically, with this method, we both make double the amount we would make in proposal #1. Then, with all your people having access to the training and everything else within the Reverse Funnel System, this is where the “Perpetual Leverage” part of the pay-plan kicks in as your people start to make money. You will then make much, much more, for a very long time. This, of course, is the route that Mr. B took with me.

Well, that’s it in a nutshell. I’m sure you see the monetary benefit my proposal would be to you and your goals. If you have any questions at all, please call me immediately. My contact information is below. Thank you for taking the time to read this proposal, and I hope to hear from you very soon.
